## Finishings

Cork finished with colourless aqueous coating with properties of water repellency, oil, stains and dirt as well as high resistance to UV and aging.

## Lamp

LED lamp, power 8W, colour 4000K, useful life 25,000h, socket S14D, class A +.

## Cable

Cord in 'Cold white' or 'grumpy black' textile with L150 cm / L59 in

## Custom

Arranged with the client.

## Description

CORTINA is a pendant lamp that plays with light like a delicate curtain. Its shape is crafted from agglomerated dark cork, evoking a piece of land that seems to float, bringing a touch of nature to indoors. Available in a practical size, suitable for various space configurations, CORTINA integrates a standard LED lamp, ensuring both efficiency and longevity. So, it is an ideal choice for environments that prioritise aesthetics and ecological responsibility, whether in a workspace or a gathering place for family and friends.
