Materials

Solid ash (structure) and composite dark cork (seat). Also available in solid oak or solid walnut (structure) and light composite cork (seat).

Finishings

Colourless matt varnish (structure). Colourless aqueous coating (seat).

Custom

Arranged with the client.

Description

DINA family honours the hard work of those who have tamed the land of the oldest wine region in the world – the Douro Valley, in Portugal. Its structure is inspired by the delicate outlines of the slopes and the seat refers to wine and grapes that generate the renowned Porto Wine. This bar stool is characterised by a comfortable backrest and it is perfect for workplaces and bars, guaranteeing a relaxed lounging.

MATERIALS

COMPOSITE CORK

High performance in thermal and acoustic insulation. Fire retardant. It is finished with colourless aqueous coating with properties of water repellency, stains and high resistance to UV.

Dark Cork
Colourless

Light Cork
Colourless

SOLID ASH

European solid ash, that comes from forests controlled through a process covered by the FSC Certification. This wood can last a lifetime but it needs maintenance and care. It is finished with colourless matt varnish that has a special uv protection which prevents discoloration, and also forms a water repellent layer.

ASH
Colourless

SOLID OAK

American solid oak, that comes from forests controlled through a process covered by the FSC Certification. This wood can last a lifetime but it needs maintenance and care. It is finished with colourless matt varnish.

BOA
