Solid ash (structure) and composite dark cork (seat). Also available in solid oak or solid walnut (structure).

Finishings

Colourless matt varnish (structure). Colourless aqueous coating (seat). Coloured matt varnish - 'warm white', 'grumpy black', 'dry yellow', 'luxury red', 'sleepy green' or 'elegant grey' (structure);

Custom

Arranged with the client.

Description

DORA honors the hard work of those who have tamed the land of the oldest wine region in the world - the Douro Valley. The structure of the chair is inspired by the delicate outlines of the slopes and the seat refers to the grapes that generate the renowned Porto Wine. DORA is an elegant and plain chair, where you can have moments of sharing, tasting and contemplation, adapting itself to formal and exquisite surroundings as well as informal environments.

MATERIALS

COMPOSITE DARK CORK

High performance in thermal and acoustic insulation. Resistant to abrasion and impact. Fire retardant. It is finished with colourless aqueous coating with properties of water repellency, stains and high resistance to UV.

Dark Cork
Colourless

SOLID ASH

European solid ash, that comes from forests controlled through a process covered by the FSC Certification. This wood can last a lifetime but it needs maintenance and care. It is finished with colourless or coloured matt varnish that has a special uv protection that prevents discoloration, and also forms a water repellent layer.
